A middle-class couple with an annual income of $42,500 each

President Obama signed Off to cut for families and small businesses, providing over $300 billion for the middle class, including a tax cut of about $1,500 for the typical working family in America. Incomes

Mitt Romney would extend Bush-era tax cuts for millionaires and billionaires and pay for this by lowering taxes for the middle class.

Mitt Romney's 2010 tax rate: 13.9%

President Obama's 2010 tax rate: 20.6%

American's 400 wealthiest taxpayers pay an average rate of 18.5%.

Think that's unfair?
