Hi Ben,

The event w/Solyndra on the 25th has not been advised yet.

The broad strokes are that we'll tour Solyndra's plant and then have a roundtable conversation with Solyndra and some of their suppliers. The event will be open press.

I can be sure to keep you updated as the details fall into place. Skeletal draft agenda follows.

Best,
Sara Merriam
GSA Press Secretary

Can you let me know the plan for your visit? A brief description and the schedule would be great.

Thanks!
